

# Hondententoonstelling ROTTERDAM

---

**Datum:** 8 september 2018  
**Keurmeester:** Dhr. K. Scheel (DK)  
**Beste v.h. Ras:** Brisco Barasya the Gloucester

## REUEN

### OPENKLAS

**1. Morris fan't Suydevelt**

1½ years; nice male; good body proportions; excellent head; good broad skull; well developed foreface; correct bite; well set ears of correct length; sufficient long neck; nice topline; well angulated hindquarter; nice coat; excellent free movement, long easy steps; coming and going parallel. 1 U, resCAC/resCACIB

**2. Jesse v.d. Olinckhoeve**

2½ years; good size; nice body proportions; excellent head; sufficient broad slightly arched skull; good expression, dark eyes; well set ears of correct length; good scizzarbite; good neck and topline; well angulated front and hindquarter; chest could be more developed; good coat; very nice, sound easy movement. 2 U

**3. Arie v.h. Groningerland**

28 months; strong and masculine; good body proportions; a little bit exaggerated broad in skull, even for a male, making the head a little bit course; well developed foreface; correct bite; well set ears of correct length; nice dark eyes; moderate long neck; good topline; well angulated front- and hindquarters; he could loose a little weigth, on the heavy side today; good coat; good sound movement when he's not jumping; good length of steps. 3 ZG

### KAMPIOENSKLAS

**1. Brisco Barasya the Gloucester**

6 years; nice condition; masculine with good body proportions; excellent head; strong foreface; well set ears; would prefer ears slightly shorter; correct bite; good neck; nice strong topline; well angulated front- and hindquarter; good weather protected coat; excellent long free step; good strong behind; coming and going parallel. 1 U, CAC/CACIB/BOB

## TEVEN

### TUSSENKLAS

#### 1. Layla Hesther fan't Patrijzen Bos

22 months; beautiful female; good body proportions; excellent head; sufficient broad, tiny bit arched skull; well developed foreface for female; correct bite; would prefer eyes slightly darker; good neck; nice level topline; well angulated hindquarter; front is a bit upright in shoulder; well developed coat; movement coming broad; little bit restricted in front movement, seen from the side; sufficient drive behind; nicer looking standing then moving. 1 ZG

### OPENKLAS

#### 1. Milly fan't Suydevelt

1½ years; nice feminine; good body proportions; excellent head; sufficient broad skull; correct bite; good expression from the dark eyes; would prefer foreface slightly longer even; good length of ears; good neck and topline; excellent angulation in front- and hindquarter; nice coat; her good anatomy is shown in movement with long easy step; coming and going parallel. 1 U, CAC/CACIB

#### 2. Norah v.d. Olinckhoeve

27 months; good size; nice body proportions; excellent head; sufficient broad slightly arched skull; well set ears; correct bite; well developed foreface; good front assembling; topline could be more level and strong; well angulated hindquarter; nice coat; nice free movement, long easy step; good drive behind. 2 U, resCAC/resCACIB

### VETERANENKLAS

#### 1. Jessie v.d. Olinckhoeve

8 years old; strong and feminine; excellent head; sufficient broad skull; well developed foreface; well set ears of correct length; good neck; nice strong topline; well angulated front- and hindquarter; good topline; nice weather protected coat; coming a little bit broad; moves a bit restricted, seen from the side and front; for her age of 8 years her movement is excellent. 1 U
